by the uncountable monuments, churches and buildings as Santa Maria del Fiore, more commonly referred to as the Duomo. On your visit, you will be amazed by its magnificent dome built by Filippo Brunelleschi. Cross a small piazza to see the "Campanile" tower (partly designed by Giotto) and the Baptistery, with its bronze doors where Michelangelo imagined the "Gates of Paradise." In the heart of the city, you will see Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the Basilica of Santa Croce. Lunch in a typical Tuscan restaurant in Piazza Santa Croce. Spend the afternoon strolling the cobblestone streets of Florence on your own or take a short trip to Pisa (optional), one of the four main historical Marine Republics of Italy. There, you will tour the Piazza dei Miracoli with the Duomo, Pisa's symbol "the Leaning Tower" and the Baptistery. Dinner at leisure, overnight stay in Florence.

DAY 1 Rome

Welcome to Rome! After meet at the airport your driver, you will be transferred to your hotel (Transfer included!). At 07:45 pm p/up at the hotel and reach Via del Teatro Marcello. Our local expert guide will lead you to discover the wonders of the Eternal City, charming by day - absolutely romantic at sunset. You will cross the characteristic area of the Jewish Ghetto, one of Rome's most beautiful neighbourhoods, full with history and with a real Roman atmosphere. As you know, one of Rome's typical landmarks are its beautiful fountains, and one of the prettiest is the Turtle Fountain (Fontana delle Tartarughe) in Piazza Mattei. The Jewish Ghetto of Rome is the second most ancient after the one in Venice and it can be considered the heart and soul of Roman cuisine! Then you will walk into Piazza Della Rotonda and enjoy the lit view of the Pantheon, the former temple of Marcus Agrippa later converted into a church: this is the only ancient Roman temple that remained untouched through the centuries and it's stunning at night when the crowds are away. Next Stop...Close your eyes and throw a coin over your right shoulder straight into the Trevi Fountain: it's said that those who do so, are granted to come back to Rome someday. Your walk continues towards Piazza di Spagna, one of the city's most popular squares, known for its setting at the bottom of the Spanish Steps. Walk up these famous steps to enjoy a lovely view from the top! After this intense and gratifying walk, there is only one thing missing to end this experience: relax enjoying a creamy and tasty Gelato, it's on us! The tour ends in Spanish Steps area. Enjoy on your own the rest of the night. Return to the hotel on your own and overnight stay.

ITINERARY

DAY 1 Rome

Benvenuti a Roma! After your arrival at the airport, make your own way to your hotel and then enjoy your first day in the city at your own leisure. At 07:45 pm p/up at the hotel and reach Via del Teatro Marcello. Our local expert guide will lead you to discover the wonders of the Eternal City, charming by day - absolutely romantic at sunset. You will cross the characteristic area of the Jewish Ghetto, one of Rome's most beautiful neighbourhoods, full with history and with a real Roman atmosphere. As you know, one of Rome's typical landmarks are its beautiful fountains, and one of the prettiest is the Turtle Fountain (Fontana delle Tartarughe) in Piazza Mattei. The Jewish Ghetto of Rome is the second most ancient after the one in Venice and it can be considered the heart and soul of Roman cuisine! Then you will walk into Piazza Della Rotonda and enjoy the lit view of the Pantheon, the former temple of Marcus Agrippa later converted into a church: this is the only ancient Roman temple that remained untouched through the centuries and it's stunning at night when the crowds are away. Next Stop... Close your eyes and throw a coin over your right shoulder straight into the Trevi Fountain: it's said that those who do so, are granted to come back to Rome someday. Your walk continues towards Piazza di Spagna, one of the city's most popular squares, known for its setting at the bottom of the Spanish Steps. Walk up these famous steps to enjoy a lovely view from the top! After this intense and gratifying walk, there is only one thing missing to end this experience: relax enjoying a creamy and tasty Gelato, it's on us! The tour ends in Spanish Steps area. Enjoy on your own the rest of the night. Return to the hotel on your own and overnight stay.

In the heart of the city, you will see Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the Basilica of Santa Croce. Lunch in a typical Tuscan restaurant in Piazza Santa Croce. Spend the afternoon strolling the cobblestone streets of Florence on your own or take a short trip to Pisa (optional), one of the four main historical Marine Republics of Italy. Milan

Welcome to Milan! Meet our driver at Milan Malpensa Airport and enjoy a private transfer to Starhotel Ritz. In the afternoon, meet your professional local guide at the hotel and set off on a three-hour walking tour through the heart of Milan. Going down via Spallanzani, you will reach Porta Venezia (literally Venice Gate), one of the historical gates to the city. It has medieval and maybe even Roman origins, and it gives the name to the city district all around it. An urban legend has it that the other name it is known as - "Porta Renza" - stems from Renzo Tramaglino, co-protagonist of the novel The Betrothed by Alessandro Manzoni, who enters Milan exactly from this access. You will proceed toward Corso Venezia and take a shortcut inside Giardini Indro Montanelli, a public garden. Opposite the gardens, you will go past GAM, the Galleria d'Arte Moderna (modern art museum). Proceeding along Viale Manzoni, you will head for La Scala opera house (Teatro alla Scala), inaugurated on 3 August 1778. The theater underwent major renovations from early 2002 to late 2004. Then, get ready to take in the stunning Milan Cathedral (Duomo di Milano). Your tour guide will illustrate its main features. The last stop will be the majestic Castello Sforzesco, a medieval fortress built in the 15th century by the Duke of Milan, Francesco Sforza. In its vicinity, we have chosen a refined bakery for you to be able to relax and taste a typical aperitivo (happy hour). At the end of the aperitivo, the tour is over and you will have some free time before returning to the hotel on your own. Overnight stay is in Milan.

DAY 2

Milan · Bernina Express · Milan

This is the day of your Bernina Express tour, on board "the train that snakes its way up to the mountain peaks". Just like sitting in a theater, you will admire unique views from your seat on board the Bernina Train, a piece of history (it is 100 years old) and a World Heritage train. After breakfast at the hotel, meet our driver and reach Tirano. You will get on board there and start this ride

along one of the most beautiful railway routes in the world, with its unsurpassed alpine views. The journey will need two hours to complete. As the train winds its way over the Alps, occasionally passing through mountain tunnels, and puffing its way past a myriad of towns and villages, a number of highlights will catch your attention. Look out at the Swiss Alps as you ride along the Bernina pass to St. Moritz, and then enjoy free time to explore it. Meet your driver to return to Milan (meeting point in St. Moritz). Overnight stay in Milan.

DAY 3 | B

Milan · Como · Bellagio · Varenna · Bergamo

Enjoy breakfast at your hotel and then prepare for a short visit to Como, a tourist destination for its vicinity to Lake Como and the Alps. Amazing views over the lake and the alpine valleys are guaranteed! The lake itself, sometimes called Lario, has long been famous for its y-shape and for Bellagio, that you will reach by boat. This little gem town lies at the intersection of the lake's two southern arms, with the Alps dominating the horizon to the north, and is home to some of the most charming landscapes in Italy. Spend some time exploring this picturesque village and its small streets, luxury hotels, villas, and gardens, and have lunch at your leisure in one of the many restaurants or cafés. Back on board, you will make your way to Varenna in the afternoon, where you will take a panoramic tour before moving on to Bergamo, a truly historic and artistic jewel characterized by its urban structure: the città bassa (or lower town) is modern and dynamic, while the famous città alta (or upper town) houses the city's medieval heart. Check in at your Bergamo hotel for the night.

DAY 4 | B

Bergamo · Sirmione · Riva del Garda · Bergamo

Lake Garda, the largest lake in Italy, is the next destination. After breakfast at your hotel, you suggest to take a panoramic tour of the lake's west coast, taking in the splendid natural landscape, like the Brenta Dolomites (the Brenta Group has been officially recognized as UNESCO World Heritage Site) and the gentle slopes of the Moraine Hills of Lower Garda. Enjoy the area's rich

vegetation, including lemon trees, oleanders, magnolias, bougainvillea and be sure to taste some of the locally-made olive oil and wines. Next, you will move to Sirmione, where Lake Garda and its surroundings are at their finest. See the sun reverberating on lake's blue waters, the tree-lined shores, Sirmione Castle as well as the ruins of Catullus's villa or Grottoes of Catullus (the 1st century BC poet owned a villa here) during a boat tour. Once you're through, you will have some free time to have lunch before departing for Riva del Garda. Located on the north side of the lake, you will see its quaint Venetian-style historical center.

DAY 5 | B, L

Bergamo · Verona · Franciacorta (light lunch and wine tasting) · Milan

After breakfast, reach "fair Verona," a museum en plain air. A local professional will be waiting for you and take you on a guided tour. The fascinating mix of historical periods and cultures (both classical and Germanic) is a blend of Nordic as well as Mediterranean influences that is both ancient and modern. A walk through its narrow streets will allow you to get in touch with Verona's varied and fascinating past: traces of its splendid Roman origins, its medieval structures, its magnificent renaissance palaces, as well as the impressive fortifications protecting it. The combination of art and history will amaze you. Two of William Shakespeare's plays are set in Verona: "Romeo and Juliet" is by far the most famous one. We suggest taking a look at the so-called Juliet's home (and its balcony, said to have been the legendary balcony of the famous "Oh Romeo, Rome" tragedy's scene). It is a medieval building located in via Cappello. Capello is the name of a family who resided in the edifice in the 14th century. After the Verona tour, you will drive toward the territory of Franciacorta, whose soil consisting of gravel and sand over limestone is ideal for the cultivation of grapes and for winemaking. This is why we chose this place for your next stop. This is where you will enjoy a light lunch and taste some local food as well as the renowned local wine. After this experience, you will head for Milan, where our services will end. The evening for your last overnight.

ITINERARY

DAY 1 | D
Bari

You'll reach Bari, the capital of Puglia, on your own. Meet your tour guide at the hotel and off you go on a tour to discover the beauties of Bari. In the afternoon you'll reach its historical center, known as "Bari Vecchia", and learn interesting information about Bari's past as well as the history of its main monuments. Walk down little alleys and find yourself in tiny little squares inside the walls, until you reach the Pontifical Basilica of Saint Nicholas, that contains the relics of Saint Nicholas, and the Castello Svevo (or Swabian Castle) built in the XII century by Norman King Roger II and later restored by Frederick II of the Holy Roman Empire. From inside the castle one can enjoy a beautiful view (entrances not included). After the visit, Piazza Mercantile is worth a visit: the Colonna della giustizia (or Column of justice) stands out right in the middle. It is thought to have been used as a pillory. Dinner at the hotel. Overnight is in Bari.

DAY 2 | B, D

Bari > Trani > Castel del Monte > Alberobello

After breakfast, you will head to Trani. Known as "Perla di Puglia" (or the pearl of Puglia), Trani is a medieval town located 53 kilometers (that's 33 miles) south of Bari. Its Jewish district and the majestic Cathedral will be yours to admire. The latter was built using a local stone, a calcareous tuff characterised by its colour, an extremely light almost-white pink. In the afternoon, the next monument will be Castel Del Monte, the most amazing castle built by Frederick II. It is protected as a World Heritage Site. Its geometric design is unique: it is an octagonal prism with an octagonal tower at each corner. Many mysteries are still unresolved, including the real purpose of the castle. After Castel del Monte, Alberobello is the next stop, the "città dei Trulli", also protected as a World Heritage Site. Trulli are dry stone huts with a conical roof originally built for storage purposes. They were also permanent dwellings and are called case dde by locals (or little houses). Alberobello is a gem, a true fairy tale place in the heart of Puglia. You will spend the night in a dream hotel, an "albergo diffuso" (one of the network of scattered hotels), and get the chance to sleep in a trullo. Dinner is included. Overnight is in Alberobello.

DAY 3 | B, D

Bari > Trani > Castel del Monte > Alberobello

After breakfast, a bus will be waiting in a parking lot adjacent to the hotel (200 meters from the Trulli). It will take you to Basilicata, a border region. Welcome to Matera, its capital, "la città dei sassi" (literally the city of the stones), Italy's own version of Cappadocia in the south of Italy. European Capital of Culture 2019, Matera is a UNESCO Heritage site. Take your time to admire the sassi from different perspectives and overlooks. These cave dwellings inhabited since the Paleolithic period make for the monumental historical center and are connected by a maze of quaint little alleys, which will make you feel like you are catapulted in a real-life

nativity scene. The sassi are visually reminiscent of ancient sites near Jerusalem, and so they were a setting to many Christian-themed films, including The Gospel According to St. Matthew (Pier Paolo Pasolini, 1964), The Passion of the Christ (Mel Gibson, 2004), and Ben-Hur (Timur Bekmambetov, 2016). A visit to Matera Cathedral is a must. You will return to Alberobello in the evening. Dinner and overnight are in the trullo in Alberobello.

DAY 4 | B, D

Alberobello > Locorotondo > Ostuni > Lecce

After breakfast, a bus will be waiting in a parking lot adjacent to the hotel (200 meters from the Trulli). It will take you to Locorotondo. This picturesque town is one of the "Borghi più belli d'Italia" (most beautiful hamlets of Italy). Locorotondo comes from the Latin phrase "locus-rotundus", meaning circular place, for its round shape. Afterwards, you'll reach Ostuni, the "città bianca" (or white city), another true gem 74 kilometers (46 miles) south of Bari located on the summit of a hill. It was built by the Normans and has city walls with four gates (remains of them can be seen). The region is a producer of top quality olive oil and wine. You will have plenty of leisure time to go around the historical center, eat typical delicacies, shop for food or souvenirs or simply get lost in the old medieval streets. In the evening, you will move to Lecce, the heart of the Salento area. Dinner and overnight are in Lecce.

DAY 5 | B, D

Lecce > Otranto > Dinner at "Masseria le Stanzie > Lecce

After breakfast, you will take advantage of a guided tour of Lecce with a professional guide. For its artistic and cultural buzz, Lecce is known as "southern Florence". Its underlying trait is though the baroque style of its buildings. A number of religious and secular monuments will be yours to take in at your leisure. For lunch, move to Otranto, just a 30 minute drive from Lecce. Along many centuries, Otranto was dominated by the Greeks, the Romans and the Turks, and traces of this melting pot of cultures can still be gazed in awe. Don't miss out on the Cathedral that keeps the bones of 813 martyrs in a shrine behind the main altar. Its floors are mosaics that rival those found in Ravenna's main churches. To end the day in the best of ways, you will have dinner in Supersano (near Lecce) at "Masseria le Stanzie", a typical salentine masseria (or large farm). You will visit the hacienda (some medieval graves belong to the property) and learn some of Puglia's gastronomy history, too. You will be told how traditional home-made pasta is prepared from scratch. Eventually, you will have dinner and taste some local products. Overnight is in Lecce.

DAY 6 | B

Lecce > Gallipoli > Lecce

Day 6 is dedicated to Gallipoli, one of the most touristic and cosmopolitan destinations in the Salento. Gallipoli has Greek origins and is now a summer location preferred by

young people who are attracted by its nightlife as well as beautiful wild beaches whose dunes and pine tree parks are paradise! You will have free time to discover the center of Gallipoli, the walls, and the port that shelters amazing yachts. In the afternoon, you will return to Lecce and still have time to enjoy the evening. Overnight is in Lecce.

DAY 7 | B, L

Lecce > Martina Franca > Lunch at Masseria Zona Fasano > Bari

After breakfast, we'll head back to Bari driving through the "Murge plateau" with unique landscape. You'll get to see Martina Franca, an elegant Baroque village full of churches, noble buildings, and squares perfect for a stage setting. The urban focal point is Piazza Plebiscito, the Cathedral, the Duca Palace and the Torre dell'Orologio. Free time here. We'll continue driving in the Valle d' Itria, a rural area full of olive trees and vineyards. You'll enjoy lunch in a masseria where food and excellent extra virgin olive oil are produced from organic farming. A tasting of those products is included. In the afternoon, there will be some free time and then a short drive will take you to Bari. Overnight is in Puglia.

DAY 8 | B

Bari > Polignano > Monopoli > Bari

After breakfast, we'll set off to two of the most prominent coastal places of Puglia: Monopoli and Polignano a Mare. We'll start from Monopoli, a fortified citadel overlooking the sea. Getting lost in the intricate little streets of Monopoli is an almost mystical experience. From its port, just like a number of other Apulian ports, the crusaders left Puglia in the Middle Ages to reach the Holy Land and free it from the Muslims. A rich commerce with Constantinople flourished and this is why a marked oriental atmosphere can be felt here. The second stop is Polignano a Mare, hometown of Domenico Modugno, Italian singer-songwriter who co-wrote the world-known song Volare (nel blu, dipinto di blu). Polignano was built on the peak of a cliff, and therefore its coastline is characterized by coves, small bays and inlets. Lama Monachile is one of them, known for its crystal-clear waters and rugged cliffs all around. Free time for some shopping or an aperitivo in the main square. You will return to Bari after the visit. Overnight is in Bari.
